

# Your Trusted Source for Premium Exports

# About Us

Founded in 2000, Marjan Group of Companies has grown to become a trusted name in the export of high quality coconut, vegetables, and rice. With a steadfast commitment to excellence and customer satisfaction, we have established strong trade links with UK, delivering fresh and premium agricultural products to meet the demands of our clients.

At Marjan Group, we believe in the importance of quality, sustainability, and integrity. Our products are carefully sourced from the best farms, ensuring that only the finest product reaches our customers. We take pride in our efficient supply chain and our ability to maintain the highest standards from farm to table.

## Mission

At Marjan Group of Companies, our mission is to deliver superior quality coconuts, vegetables, and rice to the UK market, ensuring freshness and excellence. We are dedicated to sustainable practices and building strong relationships with both suppliers and customers. Our goal is to exceed expectations through exceptional service and unwavering commitment to quality.

## Vision

To be the premier global exporter of premium coconut, vegetables, and rice, renowned for our commitment to quality and sustainability. We aspire to lead the industry with innovative practices and exceptional service. Our goal is to positively impact communities and build lasting partnerships through excellence and integrity.

# Coconut

The export quality coconut offered by us has a shelf life guarantee of more than 50 days, the taste. Pollachi coconut is well said loud for its taste and its aroma. We have a team of professional and well-qualified packaging staff members who ensure that our coconut and coconut products are not only wrapped and packaged with the high class packaging materials but also retain their freshness, taste, aroma and nutrient content while being transported to different parts of the world. This makes our products travel friendly even for long distances.

Our organization is ranked amidst the pioneer enterprises involved in the processing and supplying a qualitative gamut of Coconuts, Semi Husked Coconuts and Exported Brown Coconuts. Complying with set industrial norms, we process these products under hygienically maintained processing unit.

Our spacious and roomy warehousing facility is well-equipped with all the vital amenities required to safely store our complete assortment of Coconuts, Semi Husked Coconuts and Exported Brown Coconuts in bulk quantities.

# Rice

We take pride in offering premium quality rice that meets the highest standards of taste and consistency. Our rice is carefully sourced from the best-growing regions, ensuring each grain is fresh, aromatic, and full of flavor. We prioritize quality control throughout the entire process, from selection to packaging, to deliver a product that exceeds expectations and enhances your meals.

Our commitment to excellence is reflected in our rigorous quality checks and attention to detail. We understand the importance of rice in diverse culinary traditions, which is why we focus on providing a product that maintains its integrity and taste through every step of the journey. Whether for domestic consumption or utility consumption or commercial use, our rice is the ideal choice for those seeking both reliability and superior quality in every serving.

We offer a diverse range of rice varieties, such as basmati, long-grain, and short-grain, to cater to different market preferences and culinary uses.

# Vegetables

We are dedicated to delivering fresh, high quality vegetables that enhance your dining experience. Our vegetables are sourced from trusted farms, where they are grown under optimal conditions to ensure peak freshness and nutritional value. From crisp greens to vibrant root vegetables, we maintain stringent quality standards to ensure that each item meets our commitment to excellence.

We understand the importance of freshness and flavour in vegetables, which is why we employ careful handling and packaging practices to preserve their quality from farm to table. Our efficient supply chain and quality control measures ensure that our vegetables arrive at their destination in optimal condition, ready to be enjoyed by our clients and their customers. Whether for individual use or bulk supply, our vegetables are a reliable choice for those seeking premium produce with every delivery.

We offer a diverse range of vegetables, such as bitter melon, brinjal, ladyfinger, yam, stringbeans, beetroot, drumstick.
